

AMEN

Amen

Enough of your preaches

Amen

Enough of your Jesus

Amen

But when you see him, please tell him, I'm gonna fucking kill him

Amen

I won't tell you again

Amen

I've killed lesser men

Amen

And I'll do it again

Hey

What you gonna do, will you run away

Are you even listening

I'm not running from anything

So

Have you figured out where you wanna go

I'm not going anywhere

And I can't see why you should care

I just wanna hear your options

Either way, it's ending bad.

Amen

And who the fuck are you

Amen

To tell me what to do

Amen

It's my song. Fuck you and the cross you rode in on

Amen

Are you suicidal

Amen

There's nothing in your bible

Amen

About my survival

Hey

What you gonna do, will you run away

Are you even listening

I'm not running from anything

So

Have you figured out where you wanna go

I'm not going anywhere

And I can't see why you should care

I just wanna hear your options

Either way, it's ending bad.

Amen
