

DEAD MOON IS MY HEAVY METAL

To me they ARE rock'n'roll	Dead Moon!
So here's to Toody and Fred Cole	Dead Moon!
If I could live my life again	Dead Moon!
I'd try to live it just like them	Dead Moon!

This one's for Fred and Toody

When I think of how I cried	Dead Moon!
For Johnny Cash when Carlene died	Dead Moon!
There'll be a waterfall at best	Dead Moon!
When either Cole is laid to rest	Dead Moon!

This one's for Fred and Toody

Death is waiting unforeseen
For those who dare not live their dreams
How could I come so far so soon
My life, my blood, my dying moon
