

WE WON'T COME BACK

Music: Schau

Lyrics: Schau

With our eyes shut
To avoid what is coming
We're still gonna hear them
Like a thunderstorm forming

If our eyes close
On what they fear or hate
We're lost against sound
The way it rushes in. Violates

We won't come back
We won't come back
We won't come back
Unharm'd or even alive

Take the time to think
Of how our life's been spent

Death is the next major event

We won't come back
We won't come back
We won't come back
Unharm'd or even alive
The moment of truth has arrived
Is it even possible to survive
