

PRELUDE TO MURDER

Music: Martinsen

Lyrics: Schau

They were drunk, I asked them why
Just a kid, but mums reply
Was she «couldn't sit around and wait»

Wait for what, I asked her then
For someone to come and bury them?
What is it with life you hate?

And mum said

Dad and I

Don't hate life

We're just bored with it

We're just bored with it

This is us doing you a favour

If it'll help you hate us later

You're just here cause we had no choice

Go say a prayer, light a candle

Rught now you're too much to handle

And leave us with something we actually enjoy

Know what

Fuck your life
When you die
I'll be outta here
I'll be outta here

Dad and I

Hope you die

Don't hate life

I am outta here

We're just bored with it

We're just bored with it
