

# IT STILL HURTS

Music: Schau

Lyrics: Schau

Mum lied  
Dad's not indestructible  
He died  
Alone in that hospital

It just went on and on  
It just went on and on  
It just went on and on  
And it still hurts

So when she said  
I don't know how to tell you this  
But dad's dead  
I yelled at her, I got so pissed

I just went on and on  
I just went on and on  
I just went on and on  
And it still hurts

It still hurts  
It still hurts  
It even hurts when I'm breathing  
It hurts just being  
Alive  
It still hurts  
It still hurts  
Just breathing  
How I miss him being  
Alive
