

LIAR

They say happiness is a mask, well a mask never changes
We don't know what's behind it, truth, lies or dangers
So why not stay happy, why's that so bad ?
I'll rather be a liar, than permanently sad

It's not OK, it never was
And now you've cursed the two of us

All these years and you still don't have a clue
Every time you say: "I'll do anything for you" ?
There's really just one thing you can do
Let me go to hell the way that I want to

It's not OK, it never was
And now you've cursed the two of us

You've cursed us

LIAR

You've cursed us

LIAR

You've cursed us

LIAR

You've cursed us
