

# FINALLY FORGOTTEN

I had 2 lousy options

***Finally forgotten***

Emigration or suicide

But I'm not much for plane rides

***Finally forgotten***

Or the exhaust pipe

But whatever the choice

***Finally forgotten***

This was my last ride

So I went for the rope

***Finally forgotten***

Guess I'm the drama type

Adding deeper darkness to a night devoid of stars

Rattling through the darkness

***Finally forgotten***

Searching, but there's nothing

I'm like a stillborn baby

***Finally forgotten***

In a big mans coffin

Hope I say a prayer

***Finally forgotten***

Before I lie

Hope I say I love you

***Finally forgotten***

Before I die

Adding deeper darkness to a night devoid of stars

Adding deeper darkness to a night devoid of stars

***Finally forgotten***

***Finally forgotten***

***Finally forgotten***
